**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer that has benefited greatly from the competition between service providers such as AT&T and Sonic.

I happen to be a Sonic customer as they offer comparable service at a lower price.

I would hate to see any move made to constrain competition under the guise of deregulation as it would more than likely result in increased prices and inferior service.
